1, 2, 3 Math Clipart Money Set

Welcome to 1, 2, 3 Math Clipart, the Money Set! This collection includes:

• Money - individual and stacked groups of coins and bills.

About the images...

All of the images in this set are in **EMF** (Enhanced Meta File) format. This vector-based style has a number of advantages over other formats, such as .jpeg and .gif. Scaling is much cleaner, and transparency is maintained. In the examples below, the .jpeg is not as clear as the .emf when enlarged, and also maintains a white "fill" inside and around the image. The .emf image has a transparent "fill", making it appropriate to use on any background color.

Unlike other picture formats, EMF files can be difficult to preview in a folder. Every effort has been made to make filenames as descriptive and logical as possible, and image guides have been provided on the following pages.
